HOD Message

“Computer Science and Engineering aims to motivate young professionals and enrich the budding engineers with latest trends in technology. The major focus of department is to nourish student’s skills on project based learning with heterogeneous requirements and provides ample opportunities for the students to grasp enriched knowledge by IT industries driven curriculum with their implementation.”

Department of CSE

Vision

To be recognized globally for delivering high-quality education in the ever-changing field of Computer Science and Engineering, both of value & relevance to the communities we serve.

Mission

1. To provide quality education in both theoretical and applied foundations of Computer Science and train students to effectively apply this education to solve real-world problems.
2. To amplify their potential for lifelong high-quality careers and give them a competitive advantage in the challenging global work environment.

TECH NEWS!

GITHUB COPILOT

GitHub Copilot is an AI coding assistant that helps you write code faster and with less effort, allowing you to focus more energy on problem solving and collaboration. Copilot offers coding suggestions as you type: sometimes the completion of the current line, sometimes a whole new block of code. You can accept all, or part, of a suggestion, or you can ignore the suggestion and keep typing.

Using the chat feature, you can ask Copilot how best to solve a problem. Or you can ask Copilot to explain someone else's code. If your code has a bug, you can ask Copilot how to fix it.

GitHub Copilot has been proven to increase developer productivity and accelerate the pace of software development.

TAB NINE

Tabnine is another AI coding assistant that uses OpenAI Codex to generate code suggestions. It can auto-complete whole lines of code or full functions, as well as match the style and conventions of your existing codebase. Where Tabnine stands out is with its availability.

GitHub Copilot and Amazon CodeWhisperer are only available in a handful of major IDEs, like VS Code, whereas Tabnine is also available in a wider variety of apps, including Sublime, Emacs, Vim, and Android Studio. Tabnine supports over 80 programming languages and frameworks.

Tabnine ensures zero data retention and complete code privacy. It has ability to create bespoke models trained on your specific codebase.

Faculty Achievements

Dr. Amit Singhal
HOD-CSE

- Delivered an **Invited talk** in 5 days FDP on "**Artificial Intelligence & Machine Learning in Manufacturing Technology**" organized by **Motherhood University, Roorkee** on 15th Jan 2024.
- **Keynote Speaker** in an International Conference on **Recent Advance in Computer Science Engineering & Management (RACSEM-24)** organized by **R.D. Engineering College, Ghaziabad** on 23rdFeb 2024.
- Published a Book Titled "**Introduction to Big data and IoT**" under the publisher **Chendur Publishing House, Chennai** on May 2024.
- Published a Book Titled "**Analyzing and Mitigating Security Risks in Cloud Computing**" under the publisher **IGI Global Publishing House, Feb 2024.**
- Published a paper titled "**Utilizing Artificial Intelligence for Advance Data Science and Analysis**" in Proceedings of the **2nd International Conference on Disruptive Technologies (ICDT-2024)**, March 2024, IEEE (SCOPUS INDEXED).
- Published a Patent Titled "**Accidents Control System**" on dated 12th April, 2024.
- Published a patent on "**Machine Learning And Artificial Intelligence Based Device – Vaachak For Specially Abled People**" on dated 12 April 2024.
- Published a paper titled "**Explainable Artificial Intelligence (XAI) Model for Cancer Image Classification**" in **CMES-Computer Modeling in Engineering & Sciences** on May 2024.
- Published a paper titled "**Advancements in Explainable AI: Bridging the Gap Between Model Complexity and Interpretability**" in Proceedings of the **2nd International Conference on Disruptive Technologies (ICDT-2024)**, March 2024, IEEE (SCOPUS INDEXED).
- Published a paper titled "**Utilizing Artificial Intelligence for Advance Data Science and Analysis**" in Proceedings of the **2nd International Conference on Disruptive Technologies (ICDT-2024)**, March 2024, IEEE (SCOPUS INDEXED).
- Attended a **Five Days Faculty Development Program** on "**Role of Green Energy Towards Sustainable Smart Cities**" organized by **JSS Academy of Technical Education, Noida** from 13/02/2024 to 17th Feb 2024.
- Attended a **Four Weeks Technical Entrepreneurship Development Programme** organized by **AMET University, Chennai** from 29th Jan 24 to 23rd Feb 24.

Dr. Pawan K. Goel

- Published a Paper on **“Beyond Automation: Exploring the Synergy of Cloud, AI, Machine Learning, and IoT for Intelligent Systems”** in Journal of Electrical Systems on April 2024 (Scopus Indexed)
- Best Paper Award for his paper presentation at the IEEE International Conference ICICET-2024.
- Session Chair at the 6th International Conference on Communication & Computational Technologies (ICCCT-2024), held on January 8–9, 2024 organized by RIET, Jaipur.

• **Published / Design Grants for the following Patents:**

- **“Robot For Security”**
- **“IoT Health Monitoring Device”**
- **“Smart Agricultural Drone For Crop Monitoring And Management”**
- **“A Decentralized Data Management IoT System Using Blockchain Technology”**

• **Books Published:**

- **Analyzing and Mitigating Security Risks in Cloud Computing** published by IGI Global.
- **Improving Security, Privacy, and Trust in Cloud Computing** published by IGI Global.
- **Cloud Computing-Concepts, Trends and Applications** published by Scientific International Publishing House (SIPIH).
- **Futuristic Trends in Information Technology** published by Iterative International Publishers (IIP).
- **Digital and Social Media Marketing: Navigating the Modern Marketing Landscape** published by String Production House.

• **Book Chapter's Published:**

- **AI-Driven Software Development Lifecycle Optimization** by IGI Global.
- **Introduction to AI, ML, Federated Learning, and LLM in Software Engineering** by IGI Global.
- **Security Automation & Orchestration** by IGI Global.
- **AI and Machine Learning in Smart Education: Enhancing Learning Experiences through Intelligent Technologies** by IGI Global.
- **Secure Communication Protocols for Cloud and IoT: A Comprehensive Review** by IGI Global.
- **Tools-Based Value - Added Approaches and Methodologies in Student-Centric Learning** by IGI Global.

• **Research Paper Published in International Conferences:**

- **“Exploring the Potential of Transfer Learning for Accurate Segmentation of Pathological Structures in X-Ray Images”** at IEEE International Conference ICDT 2024.
- **“Energy Efficient Block Chain Solutions for Edge and Cloud Computing Infrastructures”** at the IEEE International Conference ICDT 2024.
- **“Fin Safe - Empowering Financial Security through the Synergy of Machine Learning and Blockchain”** at 10th IEEE International Conference ICCSP-2024.
- **“A Comparative Analysis of Traditional Deep Learning Frameworks for 3D Object Pose Estimation ”** at IEEE International Conference ICDT 2024.
- **“Digital Education for Sustainable Development”** at 9th Global Leadership Conference (GLRC 2024).

**Dr. Khel Prakash
Jayant**

- Certificate of session chair in the IC2PCT-2024 organized by Galgotias University, Greater Noida, Uttar Pradesh, India on 9th & 10th February, 2024.
- Published a patent on **“Deep Fake Videos Detection System & Method”** on dated 02 February 2024.
- Published a patent on **“Smart Agricultural Drone For Crop Monitoring And Management”** on dated 02 February 2024.

**Mr. Sanjay
Srivastava**

- Published a patent on **“Enhancing Cinematography Learning Outcomes: Practical Strategies For Implementation”** on dated 29 Feb 2024.
- Published a patent on a machine Learning approach to **“Predicting Student Satisfaction In Emergency Remote Education”** under the Ministry of commerce and industry (Govt. of India) on dated 1 March 2024.
- Published a patent on **“Smart Device For Network Intrusion Detection”** on dated 05 March 2024.

**Dr. Pramod Kumar
Sagar**

- Question Paper Setter in IGNOU University for Term-end examinations in June-2024 for the course MCSE-004 (Numerical and Statistical Computing), for MCA Program.

Dr. Gaganjot Kaur

- Award for contribution to an Education Community by Global Empire Events and Ek Nari – 100 pe Bhari platform. Ek Nari – 100 pe Bhari is a development advocacy platform that brings in the stories of Women to uplift & recognize them for the hard work they put in tirelessly and selflessly day in & day out.
- Published a patent on **“AI-Based Remote Patient Monitoring System”** on dated 07 March 2024.

Ms. Dipti Goel

- Published a paper titled **“A Comprehensive analysis of 5G Communication and Its Health Care Management Models”** in Proceedings of the 2nd International Conference on Disruptive Technologies (ICDT-2024), March 2024, IEEE (SCOPUS INDEXED).

Mr. Birendra Kr. Saraswat

- **Session Chair** in the **2nd IEEE International Conference on Disruptive Technologies (ICDT-2024)**, organized by Department of CSE, **GL Bajaj Institute of Technology and Management**, Greater Noida.
- Published a patent on **“Machine Learning And Artificial Intelligence Based Device – Vaachak For Specially Abled People”** on dated 12 April 2024.
- Published a patent on **“Accidents Control System”** on dated 12 April 2024.
- Published a Book Titled **“Machine Learning & Internet on Things for Cyber Security”** under the publisher **"White Science Innovation United Kingdom"** on Jan 2024.
- Published a Book Titled **“Introduction to Big data and IoT”** under the publisher **Chendur Publishing House, Chennai** on May 2024.
- **Session Chair** in the **2nd World Innovation Patent Conclave** at **Apeejay School of Management, Dwarka New Delhi** on 5th April 2024.
- Receive **Best Paper Award** in **International Conference** organized by **D Y Patil University Navi Mumbai** on dated June 28-29, 2024.
- Published a paper titled **“Evaluating Multi-Platform IoT Solution for Agricultural Monitoring”** in **Proceedings of the 2nd International Conference on Disruptive Technologies (ICDT-2024)**, March 2024, IEEE (SCOPUS INDEXED).
- Published a paper titled **“Using Markov Chains for Time Series Analysis of Wireless Sensor Networks”** in **Proceedings of the 2nd International Conference on Disruptive Technologies (ICDT-2024)**, March 2024, IEEE (SCOPUS INDEXED).
- Published a paper titled **“Deep Learning-Based Self-Supervised Transfer Learning for Medical Image Classification”** in **Proceedings of the 2nd International Conference on Disruptive Technologies (ICDT-2024)**, March 2024, IEEE (SCOPUS INDEXED).
- Published a paper titled **“The Smart Sustainable Development of Automation Mobility in Industry 4.0 using IoT based Sensor Networks”** in **Proceedings of the 2nd International Conference on Disruptive Technologies (ICDT-2024)**, March 2024, IEEE (SCOPUS INDEXED).

Mr. Rahul Sharma

- Published a patent on **“AI Based wireless electricity consumption monitoring & Saving Device”** on dated 03 April 2024.

FACULTY CORNER

In the morning calm and still,
With dreams and hopes to fill,
I step into my cherished space,
To guide with love and grace.
Each face a canvas bright,
Each mind a spark of light,
With patience, care, and heart,
I help their journeys start.
Through struggles, big and small,
I catch them when they fall,
For every step they take,
A brighter world they make.
Pride swells with every gain,
In joy, in tears, in pain,
For more than just a guide,
I shape with love and pride.

~CHHAYA YADAV

A nation with large piece of land,
Cannot be strong and grand
Unless it has leaders with good
motives,
Citizens very hard working and
patriotic
No one there will then work for self
Thousand hands will raise for one's
help
Without and fear and hesitation
To serve their country with full
motivation
Society there will be clean and just
Love will prevail all around without
any lust
People will have no perturbation
And life will be full of joy and
recreation
Several evils will be put on hold
Terrorism and Communal-ism will get
resolved
Demands of people will not be erratic
If citizens are all patriotic

~DIPTI GOEL

bytescse@rkgit.edu.in

STUDENT CORNER

Listen up and you will hear,
Why I am called an Engineer
I solve,I build ,I invent,
I'd say my time is very well spent.
Want a bridge? I'll design it for you.
Want a new kind of wheel? I'll develop that, too.
I use computers. I use my brain.
I think and test till the answer is plain.
Want a robot, a rocket, an electronic device?
I'll take the assignment. I won't think twice.
I'll make running shoes that will send you soaring!
I'll develop a device that will keep you from snoring!
My life is all about invention.
Making the world work better is my intention.

~NITIN KUMAR

Don't confuse Excellence with Perfection,
Excellence we can reach for,
Perfection is God's Business.

~CHARU SARSWAT

Dreams are the seedlings to reality.
First Step is to imagine and next is to make
it reality.

~AYUSH DEEP

STUDENT ACHIEVEMENTS

Frontend Frenzy, The Front-end Competition organized by the Department of Information Technology at RKGIT.

Team of **Ayush Deep** and **Divyanshu Gautam** secured **2nd** Position whereas the team of **Nadeem** and **Chhavi** secured the **1st** position in the event.

- **Charu Sarswat** of Btech CSE 2nd year Published a patent on "**Accidents Control System**" dated 12th April 2024.

- **Aditya Raj Pratap Singh** of BTech CSE 3rd year Secured **2nd** position in "**BinaryHacks 2.0**" a coding competition organized by Binary Club.
- **Aishwarya Vardhan Ashok** of BTech CSE 3rd year Secured **1st** position in **HDFC Badhte Kadam Scholarship**.

“Future Challenges and Threats in Cyber Security with AI and legal perspectives”

By Dr. Anup Girdhar

Department of Computer Science & Engineering in association with Computer Society of India (CSI) has organized an **Expert Talk** by **Dr. Anup Girdhar**, The CEO & Founder of Sedulity Solutions & Technologies, New Delhi on the topic **"Future Challenges and Threats in Cyber Security with AI and legal perspectives"** on dated 03.05.2024.

"Exploring the Future: Bridging AI with Healthcare & Digital Metrology"

By Dr. Paramita Guha

Dr. Paramita Guha, esteemed Senior Scientist, sheds light on cutting-edge advancements and their impact on patient care at the RKGIT seminar hall. Hosted by the CSSS Society, this enlightening session explores the intersection of technology and medicine.

Department of CSE organized an expert talk on **20th March, 2024** at 10:30 am in seminar hall D-block on “**Quantum Computing**” and the resource person was “Dr. Ompal, Professor at Delhi University”. The talk was attended by students of CSE.

“RAMIFICATION OF BLOCK CHAIN AND EMERGING TECHNOLOGIES FOR SECURE ADVANCED APPLICATIONS”

On **19th April 2024**, Binary Club from CSE department organized an expert talk on “**Ramification of Block Chain and Emerging Technologies for Secure Advanced Applications**” from 3:00 pm-4:00 pm in seminar hall-D block.

Our resource person shared his knowledge on Block chain, IOT Technologies, through which students had gained new knowledge about exploring more in these fields and bring new innovations.

“Webinar on Full Stack and Software Testing”

The webinar on “**Full Stack and Software Testing**” was conducted on **February 29, 2024**, from 7:00 PM to 9:00 PM. The event aimed to provide participants with insights into Full Stack Development and Software Testing strategies, delivered by industry expert **Ms. Pooja**, a seasoned Full Stack Developer.

major event

Code Warriors Unite: Recap of Binary Hacks 2.0!"

A 33-hour coding marathon at CRC Hall, RKGIT, fueled by creativity and caffeine! Special insights from **Mr. Rohit Negi**, founder of Coder Army, encouraged the students at a guest lecture.

The event commenced with an inspiring guest talk by YouTuber **Mr. Rohit Negi** (Ex-SDE at Uber, Founder of coder army) on the first day, setting the tone for two days filled with innovation and collaboration. Following Mr. Negi's enlightening session, the hackathon unfolded, engaging more than **150 participants (32 teams)** from various branches in an intense display of talent and creativity.

For this event **Mr. Rohit Negi** (a famous youtuber) and **Mr. Nitin Nagar** (Alumni of RKGIT) was invited to motivate and judge the performance of participants.

INFOSYS SPRINGBOARD PROGRAM

"WORKSHOP IN ASSOCIATION WITH INFOSYS SPRINGBOARD"

Department of CSE in association with Infosys Ltd. organized a workshop on “**Infosys Springboard**” for the students of B.Tech 3rd year in seminar hall D-block on 11th March, 2024. The resource person of the workshop was **Mr. Nitin Jain** - Senior Analyst - Learning at Infosys Ltd.

The primary objective of this workshop was to provide our students the awareness of the Infosys springboard platform, how to primarily use the platform, letting the students know about the benefit of the platform. Mr. Nitin Jain helped all the students to onboard on the platform.

THINKTANK TRIVIA

Department of CSE in association with IEEE @RKGIT organized "**Thinktank Trivia : A Quiz Competition**" on 08th April, 2024. Congratulations to all the Winners.

AICTE-SANKALP

Department of CSE in association with **All India Council of Technical Education (AICTE)** and **C-DAC** has organized an awareness workshop on “**High Performance Computing**”, under “**AICTE-SANKALP**” scheme on **4th June 2024** by **Dr. Seema Malik**, C-DAC Certified Master Trainer.

GUEST LECTURE ON NETWORKING AND ANDROID APPLICATION

The Department of Computer Science and Engineering successfully organized a guest lecture on “**Networking and Android Application**” on **13th May 2024**. The session was graced by the presence of **Mr. Santu Purkait**, the esteemed Director of Netcamp Solutions Private Limited. Mr. Purkait, a renowned expert in the field, brought a wealth of knowledge and experience to the event.

Mr. Purkait explained the fundamentals of network management, emphasizing its critical role in ensuring the efficiency and security of computer networks.
