Brief details of the event highlights

The session on “MIC Programmes & Schemes” was conducted on 23rd October 2024, featuring Dr. Abhay Jere, Vice Chairman, All India Council for Technical Education (AICTE) and Chief Innovation Officer, Ministry of Education’s Innovation Cell (MIC), Government of India.

The session aimed to create awareness among students and faculty about various innovation and entrepreneurship initiatives launched under the MIC and AICTE ecosystem. Dr. Jere provided an in-depth overview of flagship programmes such as the Smart India Hackathon (SIH), YUKTI Innovation Repository, Institution’s Innovation Council (IIC) framework, National Innovation and Start-up Policy (NISP), and Atal Innovation Mission (AIM) collaborations. He emphasized the importance of fostering a culture of innovation, design thinking, and problem-solving among young minds, aligning academic learning with real-world challenges. Participants gained valuable insights into funding opportunities, mentorship support, and incubation mechanisms available under MIC schemes.

The interactive session also encouraged institutions to actively participate in national-level innovation challenges and strengthen their institutional innovation ecosystem through the effective implementation of MIC programmes.
