Report on Session on Problem Solving and Ideation **Workshop on 13th November 2024**

Institution innovation council of Raj Kumar Goel Institute of Technology, Ghaziabad Under Entrepreneurship, Innovation and Incubation Department at Raj Kumar Goel Institute of Technology, Ghaziabad organized a one-day workshop on “Problem Solving and Ideation ”from 10:00 AM onwards on 13th Nov. 2024.It was well-received by more than 150 participants. Dr. S.S Inamdar, Director,CGC, India,Vice President Vishwaniketan was the esteemed speaker who graced this event. Dr. S.S. Inamdar holds dual roles: he is the Director of CGC, India and the Vice President of Vishwaniketan. He is also involved in the Vishwaniketan Trust as a Managing Trustee. Additionally, he has a doctorate in Electrical Engineering from the National Institute of Industrial Engineering (NITIE) and extensive experience in education.

Students from all the years attended the workshop enthusiastically and gained insights from the decades of experience of Dr. Inamdar publish paper on“**Renewable Energy Sources for Peak Load Demand management in India**” and “**Systems approach to electrical energy Management of an Industrial Area**”.He emphasised on the importance of problem-solving and entrepreneurship. And how students can turn their ideas into a reality.

Prof. Puneet Chandra Srivastava,(Dean EII-RKGIT) started the session with a warm welcome to all the attendees, introduced the mission and vision of EII Department established at RKGIT campus., and gave an overview of the’ function & activities. He also introduced Dr. B.C. Sharma, Director, RKGIT who has joined the institute just a week ago. He then introduced the guest speaker. The session was delivered by guest speaker, Dr. S.S Inamdar, Director,CGC ,Vice President Vishwaniketan.

The session ended with a Q&A session, giving the participants opportunity to clarify their doubts.

The session was concluded with vote of thanks by Mr.Vaibhav Sharma, Asst. Prof-RKGIT, Ghaziabad.
