Brief details of the event highlights

The session marked the inauguration of IP Utsav (21st–26th April 2025), a week-long celebration dedicated to promoting awareness about Intellectual Property As part of the ongoing IP Utsav celebrations and the observance of World Creativity and Innovation Day, the “IP Week Lecture Session” on 23rd April 2025 focused on the theme “Copy That! Copyrights Uncovered.” As part of the week-long celebration of World Creativity and Innovation Day and Intellectual Property Utsav (IP Utsav 2025), the IP Week Lecture Session held on 23rd April 2025 focused on the theme “Copy That! Copyrights Uncovered.” This insightful session was dedicated to enhancing awareness and understanding of copyright laws and their importance in today’s innovation-driven and digital economy.

The expert speakers **Ms. Anooja Padhee (Partner at K&S Partners, Intellectual Property Attorneys) & Dr. Hemant Khosla (Sr. Examiner of TM, GI & Copyrights and Deputy Registrar of Copyrights, DPIIT Ministry of Commerce & Industry, GoI)** elaborated on various dimensions of copyright protection, including literary, artistic, musical, and digital creations. They discussed the rights of creators, the registration process, and legal frameworks available for the enforcement and safeguarding of creative works. The speakers also highlighted the global significance of copyright within the broader Intellectual Property (IP) ecosystem, emphasizing its role in protecting creative expression and supporting the growth of creative industries.

The event was live-streamed on the MoE Innovation Cell’s official YouTube channel, enabling wide participation from academic institutions, innovators, and startups across the country.

The session also introduced a Series of Master classes on Intellectual Property Rights (IPR) to be conducted throughout the IP Utsav week.
